On August 29, 2016, Ala Mohamad filed a petition seeking compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-1 et seq., alleging that a tetanus-diphtheria-acellular pertussis vaccine he received on September 21, 2015 caused him to develop a neurological problem known as Guillain-Barré syndrome. After development of written evidence, the case proceeded to a hearing, and the parties submitted post-hearing briefs. On January

D. Funds to satisfy a State of Colorado Department of Health Care Policy & Financing Medicaid lien in the amount of \$92,602.13, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the Colorado Department of Health Care Policy & Financing may have against any individual as a result of any Medicaid payments the Colorado Department of Health Care Policy & Financing has made to or on behalf of petitioner from the date of his eligibility for benefits through the date of judgment in this case as a result of his vaccine-related injury suffered on or about September 21, 2015, under Title XIX of the Social Security Act.

RESPONDENT’S PROFFER ON AWARD OF COMPENSATION

On August 29, 2016, Ala Mohamad (“petitioner”) filed a petition for compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”), alleging that as a result of receiving a tetanus-diphtheria-acellular pertussis (“Tdap”) vaccination on September 21, 2015, he suffered from Guillain-Barré syndrome (“GBS”). ECF No. 1. On January 27, 2022, Special Master Moran issued a Ruling on Entitlement in favor of petitioner. ECF No. 150. Respondent now proffers the following regarding the amount of compensation to be awarded.¹

I. Items of Compensation

A. Life Care Items

Respondent engaged Linda Curtis RN, MS, CCM, CNLCP, and petitioner engaged Liz Kattman, MS and Helen M. Woodard, M.A., of ReEntry Rehabilitation Services, Inc., to provide

¹ The parties have no objection to the amount of the proffered award of damages. However, respondent reserves his right, pursuant to 42 U.S.C. § 300aa-12(f), to seek review of the Special Master’s January 27, 2022 Ruling on Entitlement, finding petitioner entitled to an award under the Vaccine Act. This right accrues following the issuance of the damages decision.

an estimation of petitioner's future vaccine injury-related needs. For the purposes of this proffer, the term "vaccine injury" is as described in the Special Master's January 27, 2022 Ruling on Entitlement. All items of compensation identified in the life care plan are supported by the evidence, and are illustrated by the chart entitled Appendix A: Items of Compensation for Ala Mohamad, attached hereto as Tab A.² Respondent proffers that petitioner should be awarded all items of compensation set forth in the life care plan and illustrated by the chart attached at Tab A. Petitioner agrees.

B. Lost Earnings

The parties agree that based upon the evidence of record, Ala Mohamad has suffered past loss of earnings and will suffer future loss of earnings as a result of his vaccine-related injury. Therefore, respondent proffers that petitioner should be awarded lost earnings as provided under the Vaccine Act, 42 U.S.C. § 300aa-15(a)(3)(A). Respondent proffers that the appropriate award for Ala Mohamad's past and future lost earnings is \$561,869.00. Petitioner agrees.

C. Pain and Suffering

Respondent proffers that petitioner should be awarded \$225,000.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

D. Medicaid Lien

Respondent proffers that Ala Mohamad should be awarded funds to satisfy a State of Colorado Department of Health Care Policy & Financing Medicaid lien in the amount of

² The chart at Tab A illustrates the annual benefits provided by the life care plan. The annual benefit years run from the date of judgment up to the first anniversary of the date of judgment, and every year thereafter up to the anniversary of the date of judgment.

\$92,602.13, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the Colorado Department of Health Care Policy & Financing may have against any individual as a result of any Medicaid payments the Colorado Department of Health Care Policy & Financing has made to or on behalf of petitioner from the date of his eligibility for benefits through the date of judgment in this case as a result of his vaccine-related injury suffered on or about September 21, 2015, under Title XIX of the Social Security Act.

II. Form of the Award

The parties recommend that the compensation provided to petitioner should be made through a combination of lump sum payments and future annuity payments as described below, and request that the Special Master's decision and the Court's judgment award the following:³

A. A lump sum payment of \$794,823.40, representing compensation for life care expenses expected to be incurred during the first year after judgment (\$7,954.40), lost earnings (\$561,869.00), and pain and suffering (\$225,000.00), in the form of a check payable to petitioner, Ala Mohamad.

B. A lump sum payment of \$92,602.13, representing compensation for satisfaction of the Colorado Department of Health Care Policy & Financing Medicaid lien, payable jointly to petitioner and:

³ Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.

Petitioner agrees to endorse this payment to the Colorado Department of Health Care Policy & Financing.

C. An amount sufficient to purchase an annuity contract,⁴ subject to the conditions described below, that will provide payments for the life care items contained in the life care plan, as illustrated by the chart at Tab A, attached hereto, paid to the life insurance company⁵ from which the annuity will be purchased.⁶ Compensation for Year Two (beginning on the first anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner, Ala Mohamad, only so long as petitioner is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual, or other installments. The "annual amounts" set forth in the chart at Tab A

⁴ In respondent's discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

⁵ The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;
- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of judgment for all items. Petitioner agrees.

2. Life-contingent annuity

Petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as he, Ala Mohamad, is alive at the time that a particular payment is due. Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of Ala Mohamad's death.

3. Guardianship

Petitioner is a competent adult. Evidence of guardianship is not required in this case.
